2021–22 School Accountability Report Card
Reported Using Data from the 2021–22 School Year
California Department of Education

Address:	27130 Eucalyptus Ave., Ste. A Moreno Valley, CA , 92555-4544	Principal:	Sharnita Moore, School Coordinator
Phone:	(951) 242-6646	Grade Span:	6 - 12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2022–23)

The Vision

The educational community known as Audeo Valley Charter School is committed to the development of a personalized instructional program that demonstrates positive outcomes for each student. Audeo Valley Charter School is dedicated to the creation of instructional, service, organizational, and governance models that can serve as prototypes for educational reform. Audeo Valley Charter School is committed to collaborative efforts to improve the quality of life for students, their families, and the community it serves.

The Mission

Audeo Valley Charter School will implement personalized educational programs to facilitate student achievement. These educational programs will demonstrate that standards-based educational reform can provide a prototype for changing the way teachers teach and students learn in the future.

Basic Values

- Kids come first.
- Education at AVCS is personalized, individualized, and high quality.
- AVCS is made up of a community of highly professional people. These committed individuals are independent, self-motivated, high-energy people who speak for themselves. They work to create a positive, challenging environment that is centered on teaching and learning.
- AVCS uses business principles in managing the school.
- AVCS is committed to the creation of educational reform models centered on how effective educational organizations run, how teachers teach, and students learn.
- AVCS employees are accountable for their work.
- People-centered teams focus on supporting quality teaching and learning. Performance is measured on a variety of indicators that include productivity, credit ratio, auditability, quality, performance, and commitment to the vision of AVCS.
- AVCS is committed to the improvement of the quality of life for students, their families, and the community it serves.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven taking and completing a state-administered assessment

Percentage of Students Meeting or Exceeding the State Standard

Audeo Valley Charter School is designated by the state as a Dashboard Alternative School Status school. DASS schools have at least 70% of the school's total enrollment comprised of groups that are at high risk of dropping out of school. These groups include students who are suspended, expelled, wards of the court, pregnant/parenting, recovered dropouts, and/or habitually truant.

Subject	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22
English Language Arts / Literacy (grades 3-8 and 11)	N/A	20%	N/A	37%	N/A	47%
Mathematics (grades 3-8 and 11)	N/A	6%	N/A	21%	N/A	33%

Note: Where it was the most viable option, in 2020–21, LEAs were required to administer the statewide summative assessment in ELA and mathematics and where a statewide summative assessment was not the most viable option for the LEA, LEAs were permitted report results from a different assessment that meets the criteria established by the California State Board of Education on March 16, 2021. The 2020–21 data cells for the school, district, state have N/A values because these data are not comparable to 2021–22 data. Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Career Technical Education (CTE) Programs (School Year 2021–22)

Career Technical Education (CTE) opportunities vary according to the students' goals. Student strengths, interests and values are discussed with the student and parents and become part of the Pathways Personalized Educational Plan (PPEP). AVCS offers more than 50 CTE courses and 8 Career Pathways in either an independent study or online environments. 44 of those courses are UC A-G approved college prep electives. 7 of the capstone CTE courses are articulated with a community college for college credit. All CTE courses are aligned to the CTE Model Curriculum Frameworks with embedded CCSS for College and Career Ready Readiness. Eleventh and twelfth grade students research career paths and post-secondary career options to compile an electronic portfolio as part of a required senior course called "Pathways Exhibition" which leads to a Workforce Readiness Certificate. Counselors, teachers, career resource speakers, administrators and parents provide assistance in the educational and career decision making process. Because of the flexibility in this school's schedule, students are able to work while traditional schools are in session, which broadens the range of job opportunities and work-based learning available. The school allows students the freedom to participate in community events and encourages them to volunteer. In order to broaden their experience and prepare students for the transition from school to career, students who remain at Audeo Valley Charter School until graduation are required to earn two credits in a specified CTE course, Service Learning, or in our state approved General Work Experience Education (WEE) courses. In this way, students have the chance to experience the world outside school as either volunteers or while learning a career skill on their path to becoming College and Career Ready.

AVCS maintains a comprehensive course list of UC A-G approved courses. The majority AVCS' high school students enrolling are behind in credits and not on track to graduate with their 4-year cohort. The majority enroll with courses completed at their previous school that did not meet the UC A-G requirements.

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Opportunities for Parental Involvement (School Year 2022–23)

Parents become involved in their children's education at Audeo Valley Charter School from the beginning. Parents are a part of the initial meeting with the teacher, when they learn school requirements. Together with the student, they develop each student's unique Pathways Personalized Educational Plan (PPEP). Parents are encouraged to call and make appointments at any time; parents are involved in their child's education on a daily/weekly basis. Parents are encouraged to give feedback through the annual LCAP parent survey, open houses, senior exit orientation meetings, master agreement signings, board meetings, and graduation.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

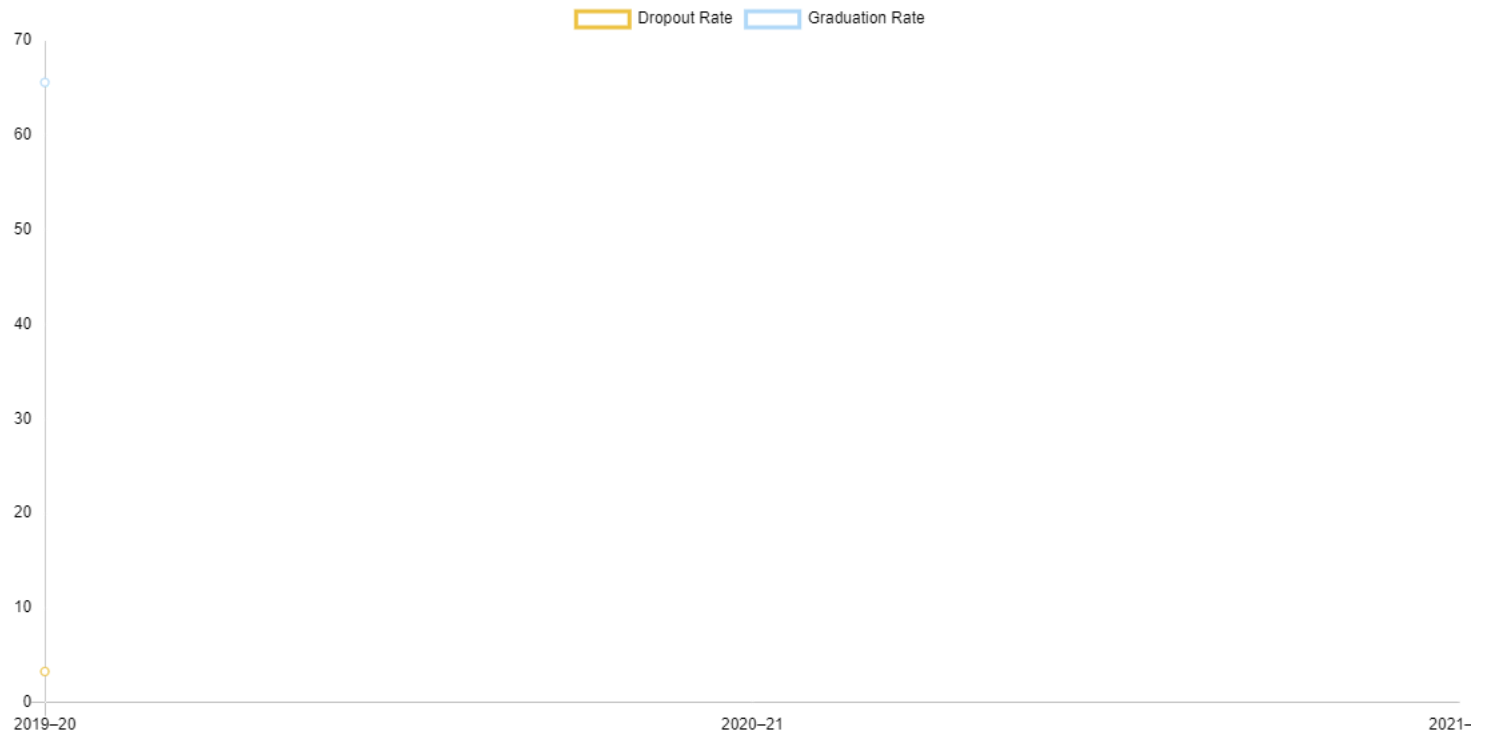

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Please Note: The 2021-2022 school year was Audeo Valley's first year of operation.

Please Note: Audeo Valley Charter School is a DASS school. As an alternative option, many students enroll with Audeo Valley Charter School to address credit deficiencies before returning to a traditional school or deciding to stay with AVCS to complete their coursework. Often these students are not on track to graduate with their four-year cohort.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions for School Year 2019–20 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019–20	District 2019–20	State 2019–20
Suspensions	0.00%	1.99%	2.45%
Expulsions	0.00%	0.00%	0.05%

Note: The 2019–20 suspensions and expulsions rate data are not comparable to other year data because the 2019–20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–20 school year compared to other school years.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

?Please Note: The 2021–2022 school year was Audeo Valley's first year of operation.

Rate	School 2020–21	School 2021–22	District 2020–21	District 2021–22	State 2020–21	State 2021–22

Types of Services Funded (Fiscal Year 2021–22)

As a 501c3 non-profit corporation, Audeo Charter School Corporation has full authority and discretion in the management of all its fiscal matters. The latitude to determine the use of funds is accompanied by an obligation to remain revenue neutral and to submit an audited financial report annually to the District. More than half of the funds the school receives go to certificated instructors who work directly with students. Funds are also used for purchasing up-to-date instructional materials and technology.

Professional Development

Please Note: The 2021-2022 school year was Audeo Valley’s first year of operation.

Audeo Valley Charter School offers its workforce a comprehensive professional development system. The system is based on student achievement data, California state mandates, federal regulations and mandates, and the best pedagogical practices. In short, the plan provides a school within a school for the purposes of teaching and learning to deepen teachers’ content knowledge, and to increase teachers’ knowledge of the standards and instructional methods based on student results in a hybrid environment. It was designed to fulfill AVCS’s professional development needs to produce a rigorous academic and professional experience for teachers, clerical and classified staff. In addition, all personnel are encouraged to attend seminars and workshops offered by local universities, the Riverside County Office of Education (RCOE), and professional associations. Staff participates in regular professional development based on the needs of students and organizational outcomes as outlined in the Strategic Plan and the Local Control Accountability Plan. At a holistic level, AVCS’s professional development also provides support for all employees to develop skills and techniques crucial to their personal lives as they work toward a healthy work/life balance. The school adheres to the requirement for the annual number of school days dedicated to staff development per Education Code 33126(b)(9).

Measure	2020–21	2021–22	2022–23
Number of school days dedicated to Staff Development and Continuous Improvement		14	15
